7. **After declaration, Collector to take order for acquisition**—Whenever any land shall have been so declared to be needed for a Public Purpose or for a company, the appropriate Government or some officer authorized by the appropriate Government in this behalf, shall direct the Collector to take order for the acquisition of the land.

8. **Land to be marked out measured and planned**—The Collector shall thereupon cause the land (unless it has been already marked out under section 4) to be marked out. He shall also cause it to be measured, and (if no plan has been made thereof) a plan to be made of the same.

9. **Notice to persons interested**—(1) The Collector shall then cause public notice to be given at convenient places on or near the land to be taken, stating that the Government intends to take possession of the land, and that claims to compensation for all interests in such land may be made to him.

   (2) Such notice shall state the particulars of the land so needed and shall require all persons interested in the land to appear personally or by agent before the Collector at a time and place therein mentioned (such time, not being earlier than fifteen days after the date of publication of notice), and to state the nature of their respective interests in the land and the amount and particulars of their claims to compensation for such interests, and their objections (if any) to the measurements made under section 8. The Collector may in any case require such statement to be made in writing and signed by the party or his agent.

   (3) The Collector shall also serve notice to the same effect on the occupier (if any) of such land and on all such persons known or believed to be interested therein, or to be entitled to act for persons so interested, as reside, or have agents authorized to receive service on their behalf, within the revenue district in which the land is situate.

   (4) In case any person so interested resides elsewhere and has no such agent, the notice shall be sent to him by post in a letter addressed to him at his last known residence, address or place of business and registered under sections 28 and 29 of the Indian Post Office Act 1898 (6 of 1898).

**COMMENTS**

17. Special Powers in case of urgency-(1) In cases of urgency whenever the appropriate Government so directs, the Collector, though no such award has been made, may, on the expiration of fifteen days from the publication of the notice mentioned in Section- 9, sub-Section (1) [(take possession of any land needed for a public purpose). Such land shall thereupon vest absolutely in the Government free from all encumbrances.

(2) Whenever, owing to any sudden change in the channel of any navigable river or other unforeseen emergency, it becomes necessary for any Railway Administration to acquire the immediate possession of any land for the maintenance of their traffic or for the purpose of making thereon a river-side or that station, or of providing convenient connection with or access to any such station [or the appropriate Government considers it necessary to acquire the immediate possession of any land for the purpose of maintaining any structure or system pertaining to irrigation, water supply, drainage, road communication or electricity], the Collector may, immediately after the publication of the notice mentioned in sub-Section (1) and with the previous sanction of the appropriate Government enter upon and take possession of such land, which shall thereupon vest absolutely in the Government free from all encumbrances:

Provided that the Collector shall not take possession of any building or part of a building under this sub-Section without giving to the occupier thereof at least forty-eight hours' notice of his intention so to do or such longer notice as may be reasonably sufficient to enable such occupier to remove his movable property from such building without un-necessary inconvenience.

(3) In every case under either of the preceding sub-Sections the Collector shall, at the time of taking possession, offer to the persons interested compensation for the standing crops and trees (if any) on such land and for any other damage sustained by them caused by such sudden dispossession and not excepted in Section 24; and in case such offer is not accepted the value of such crops and trees and the amount of such other damage shall be allowed for in awarding compensation for the land under the provisions herein contained.

1[3-A] Before taking possession of any land under sub-Section (1) or sub-Section (2), the Collector shall, without prejudice to the provisions of sub-Section 3

(a) tender payment of eighty per centum of the compensation for such land as estimated "by him to the persons interested entitled thereto, and

(b) pay it to them, unless prevented by someone or more of the contingencies mentioned in Section 31, sub-Section (2), and where the Collector is so prevented, the provisions of Section 31, sub-Section (2), (except the Second proviso thereto), shall apply as they apply to the payment of compensation under that Section.

1[3-B] The amount paid or deposited under sub-Section (3-A), shall be taken into account for determining the amount of compensation required to 'be tendered under Section 31, and where the amount so paid or deposited exceeds the compensation awarded by the Collector under Section 11, the excess may, unless refunded within three months from the date of the Collector's award, be recovered as an arrear of land revenue.

(4) In the case of any land to which, in the opinion of the appropriate Government, the provisions of sub-Section (1) or sub-Section (2) are applicable the appropriate Government may direct that the provision of Section 5-A shall not apply, and if it does so direct, a declaration may be made under Section 6 in respect of the land at any time [after the date of the publication of the notification] under section 4, sub-section (1).

COMMENTS

(1) S. 17 (4)-Notification mentioning emergency instead of urgency- The word emergency used is though in apt or wrong, but does not mislead the owner as to the idea the authorities intended to convey. Urgency relates to a situation requiring prompt action. Emergency indicates a situation, suddenly arising and demanding prompt action and is a stronger word. Held notification valid

**Part III-REFERENCE TO COURT AND PROCEDURE THEREON**

18. Reference to Court-(l) Any person interested who has not accepted the award may, by written application to the Collector, require that the matter be referred by the Collector for the determination of the Court, whether his objection be to the measurement of the land, the amount of the compensation, the persons to whom it is payable, or the apportionment of the compensation among the persons interested.

(2) The application shall state the grounds on which objection to the award is taken:

Provided that every such application shall be made

(a) if the person making it was present or represented before the Collector at the time when he made his award, within six weeks from the date of the Collector's award:

(b) in other cases, within six weeks of the receipts of the notice from the Collector under Section 12, sub-Section (2) or within six months from the date of the Collector's award, Whichever period shall first expire.

21. Restriction on scope of proceedings.-The scope of the enquiry in every such proceeding shall be restricted to a consideration of the interests of the persons affected by the objection.

22. Proceedings to be in open Court-Every such proceeding shall take place in open Court, and all persons entitled to practice in any Civil Court in the State shall be entitled to appear, plead and act (as the case may be) in such proceeding.

23. Matters to be considered in determining compensation-(1) In determining the amount of compensation to be awarded for land acquired under this Act, the Court shall take into consideration

First, the market-value of the land at the date of the publication of the [notification under Section 4, sub-Section (1);]

Secondly, the damage sustained by the person interested, by reason of the taking of any standing crops or trees which may be on the land at the time of the Collector's taking possession thereof;

Thirdly, the damage (if any), sustained by the person interested, at the time of the Collector's taking possession of the land, by reason of Severing such land from his other land;

Fourthly, the damage (if any), sustained by the person interested, at the time of the Collector's taking possession of the land, by reason of the acquisition injuriously affecting his other property, movable or immovable, in any other manner, or his earnings;

Fifthly, if, in consequence of the acquisition of the land by the Collector, the person interested is compelled to change his residence or place of business, the reasonable expenses (if any) incidental to such change;

Sixthly, the damage (if any) bona fide resulting from diminution of the profits of the land between the time of the publication of the declaration under Section 6 and the time of the Collector's taking possession of the land.

(1-A) In addition to the market value of the land as above provided, the Court shall in every case award an amount calculated at the rate of twelve per centum per annum on such market value for the period commencing on and from the date of the publication of the notification under Section 4, sub-Section (1) in respect of such land to the date of the award of the Collector or the date of taking possession of the land, whichever is earlier

Explanation-In computing the period referred to in this sub-Section any period or periods during which the proceedings for the acquisition of the land were held up on account of any stay of or injunction by the order of any court shall be excluded]

(2) In addition to the market value of the land, as above provided, the Court shall in every case award a sum of [thirty per centum] on such market value, in consideration of the compulsory nature of the acquisition.

PART V-PAYMENT

31. Payment of compensation or deposit of same in Court (I) On making an award under, Section 11, the Collector shall tender payment of the compensation awarded by him to the persons interested entitled thereto according to the award, and shall pay it to them unless prevented by some one or more of the contingencies mentioned in the next sub-Section.

(2) If they shall not consent to receive it, or if there be no person competent to alienate the land, or if there be any dispute as to the title to receive the compensation or as to the apportionment of it, the Collector shall deposit the amount of the compensation in the Court to which a reference under Section 18 would be submitted:

Provided that any person admitted to be interested may receive such payment under protest as to the sufficiency of the amount:

Provided also that no person who has received the amount otherwise than under protest shall be entitled to make any application under Section 18:

Provided also that nothing therein contained shall affect the liability of any person, who may receive the whole or any part of any compensation awarded under this Act, to pay the same to the person lawfully entitled thereto.

(3) Notwithstanding anything in this Section, the Collector may with the sanction of the appropriate Government, instead of awarding a money compensation in respect of any land, make any arrangement with a person having a limited interest in such land, either by the grant of other lands in exchange, the remission of land-revenue on other lands held under the same title, or in such other way as may be equitable having regard to the interest of the parties concerned.

(4) Nothing in the last foregoing sub-Section shall be construed to interfere with or limit the power of the Collector to enter into any arrangement with any person interested in the land and competent to contract in respect thereto.

If any money shall be deposited in Court under sub-section (2) of the last preceding Section and it appears that the land in respect of which the same was awarded belonged to any person who had no power to alienate the same, the Court shall

(a) order the money to be invested in the purchase of other lands to be held under the like title and conditions of the ownership as the land in respect of which such money shall have been deposited was held, or

(b) if such purchase cannot be effected forthwith; then in such Government or other approved Securities as the Court shall think fit and shall direct the payment of the interest or other proceeds arising from such investment to the person or persons who would for the time being have been entitled to the possession of the said land, and such moneys shall remain so deposited and invested until the same to be applied

(i) in the purchase of such other lands as aforesaid; or

(ii) in payment to any person or persons becoming absolutely entitled thereto.

(2) In all cases of moneys deposited to which this Section applies the Court shall order the costs of the following matters, including therein all reasonable charges and expenses incidental thereto; to be paid by the Collector, namely:

(a) the costs of such investments as aforesaid;

(b) the costs of the orders or the payment of the interest or other proceeds of the Securities upon which such moneys are for the time being invested, and for the payment out of Court of the principal of such moneys, and of all proceedings relating thereto, except such as may be occasioned by litigation between adverse claimants.
33. **Investment of money deposited in other cases**—When any money shall have been deposited in Court under this Act for any cause other than that mentioned in the last preceding Section, the Court may, on the application of any party interested or claiming it, order the same to be invested in such Government or other approved Securities as it may think proper, and may direct the interest or other proceeds of any such investment to be accumulated and paid in such manner as it may consider will give the parties interested therein the same benefit therefrom as they might have had from the land in respect whereof such money shall have been deposited or as near thereto as may be.

34. **Payment of interest**—When the amount of such compensation is not paid or deposited on or before taking possession of the land, the Collector shall pay the amount awarded with interest thereon at the rate of 1 [nine per centum] per annum from the time of so taking possession until it shall have been so paid or deposited:

   [Provided that if such compensation or any part thereof is not paid or deposited within a period of one year from the date of which possession is taken, interest at the rate of fifteen per centum per annum shall be payable from the date of expiry of the said period of one year on the amount of compensation or part thereof which has not been paid or deposited before the date of such expiry]
